

## FROST CREEK

### **Frost Creek Member Group Golf Outing Information**

Guests of members are always welcomed in accordance with the “Guest Policy” as outlined in the Member Golf Policies. For simplicity and fairness to all members, the following provides pricing information for larger groups hosted and accompanied by a member.

#### **As provided in the Member Golf Policies:**

1. Members may host up to three guests prior to noon or seven guests after noon per day at the “Accompanied Guest” rate. Larger groups will be accommodated only with special consideration through the Head Golf Professional. “Unaccompanied Guest” rates may apply depending on group size.
2. Non-golfing day guests will be charged a \$25 cart fee to accompany

This information and “Groups” policy is provided to compliment the above Member Guest Policies. The information below outlines parameters and pricing for larger member groups wishing to schedule a golf outing.

#### **Group Coordination Parameters**

- The Frost Creek member must be the sole point of contact throughout the booking and coordination of the event.
- Advance bookings will be allowed within the current year of the event.
- Any merchandise or gifts to players must be purchased or authorized through the Club.

A member “group” outing will be defined as a group up to 16 golfers before noon and larger than 8 after noon. It is our goal to accommodate member accompanied golf outings to the enjoyment of the “group” but with minimal impact on the tee sheet and the enjoyment of play for other members. All play must adhere to the 4-hour pace of play requirements and the Member is responsible for communicating Club policies to the “group”. All group play will be at the discretion of the Head Golf Professional.

**Rates are for 18-hole greens fee including cart. Groups wishing to play 36 holes in one day must start first round prior to 8:00 am and will pay an additional \$50 fee per player for the second 18 holes.**

#### **Group Rate:**

**All fees must be billed to the Member Account:**

Before Noon - \$185 per player

After Noon - \$155 per player

36-hole rate - \$235 per player

**All group arrangements must be approved through the Professional Staff.**
