

Ladies Valley Interclub 2024

Format: Team Net Stableford – Each team will be comprised of 6 ladies and preferably the lowest handicap players who are available. The best 4 of 6 scores using the Stableford scoring system will count during each day. The cumulative total of each team will carry forward to the next match.

Points are accumulated as follows

Net Double Bogey – 0 points

Net Bogey – 1 point

Net Par – 2 points

Net Birdie – 3 points

Net Eagle – 5 points

Net double eagle – 8 points

Rules: USGA rules will govern all play. All play will be from the designated ladies tees of each club. For balls hit O.B., marked by white stakes, the player must re-play the previous shot. All native areas, not marked as out of bounds, will be played as a lateral hazard. Drop a ball within 2 club lengths of where the ball entered the native and take a one stroke penalty.

Pairings: Two players from each club will be paired in order of handicap to form foursomes of like ability. We will try and mix up the pairings each week so players are not always playing with the same people.

Pace of Play: All players are required to maintain the pace of play throughout the entire round and adhere to the host clubs time policy. If a group gets out of position they may be warned. If a group gets warned a second time they may have to skip holes in order to catch up. All skipped holes will result in 0 points. Players should pick up after they reach a net double bogey.

Handicap: All participants will play with 100% handicap taken 48 hours from the day of play. Maximum allowable handicap is 36.

Scoring: The Marker is required to record the gross score on each hole to count for the match. The scorecard must be signed and attested. There is no net division.

Forfeit Policy: We are counting 4 of the best 6 players. If a team only has 3 players then the team must count the fourth player as 0 points.

Cost: All participants will pay \$60 to the host facility.

Season Long Title: The winning team will choose a charity for 60% of the Cash pot. The second place team will choose a charity for the remaining 40%. The winning team will keep the travelling trophy and be responsible for engraving.

Rules Committee: Host Professional and staff. If there is a doubt concerning a rule please play an alternate ball and consult with the rules committee when the round is complete.
